PASTOR'S CORNER

With Holy Week just around the corner I thought I would share this bit of information with you. Many people in the past year have shared it with me and I thank them.

Why did Jesus fold the linen burial cloth after His resurrection? The Gospel of John (20:7) tells us that the napkin, which was placed over the face of Jesus, was not just thrown aside like the grave clothes. The Bible takes an entire verse to tell us that the napkin was neatly folded, and was placed at the head of the burial stone. Early Sunday morning, while it was still dark, Mary Magdalene came to the tomb and found that the stone had been rolled away from the entrance. She ran and found Simon Peter and John, She said, 'They have taken the Lord's body out of the tomb, and I don't know where they have put him!' Peter and John ran to the tomb to see. John out ran Peter and got there first. He stopped and looked in and saw the linen cloth lying there, but he didn't go in. Then Simon Peter arrived and went inside. He also noticed the linen wrappings lying there, while the cloth that had covered Jesus' head was folded up and lying to the side. When John went in he saw and understood. What did he understand? The clue that Jesus left behind in the folded face cloth.

Was that important? Absolutely! Is it really significant? Yes! In order to understand the significance of the folded napkin, you have to understand a little bit about Hebrew tradition of that day. The folded napkin had to do with the Master and Servant, and every Jewish boy knew this tradition. When the servant set the dinner table for the master, he made sure that it was exactly the way the master wanted it. The table was furnished perfectly, and then the servant would wait, just out of sight, until the master had finished eating, and the servant would not dare touch that table, until the master was finished.. Now if the master were done eating, he would rise from the table, wipe his fingers, his mouth, and clean his beard, and would wad up that napkin and toss it onto the table. The servant would then know to clear the table. For in those days, the wadded napkin meant, "I'm finished.."

But if the master got up from the table, and folded his napkin, and laid it beside his plate, the servant would not dare touch the table, because..... The folded napkin meant,

“I am coming back!!”

Lent is a time for us to begin to understand the mystery of our salvation. We do this through prayer, fasting and almsgiving. It is never too late, come join us now and experience Easter through the eyes of faith.
